## AMENDMENT

Intended to be proposed by Mr. PROXMIRE to H.R. 17123, an Act to authorize appropriations during the fiscal year 1971 for procurement of aircraft, missiles, naval vessels, and tracked combat vehicles, and other weapons, and research, development, test, and evaluation for the Armed Forces, and to prescribe the authorized personnel strength of the Selected Reserve of each Reserve component of the Armed Forces, and for other purposes, viz: At the end of the bill add a new section as follows:

- 1        SEC. 507. None of the funds authorized to be appropri-
- 2        ated by this or any other Act to or for the use of the Armed
- 3        Forces of the United States may be obligated or expended
- 4        for any project or activity described in this section which is
- 5        carried out by or for the Armed Forces of the United States,

Amdt. No. 808

1 unless and until the Department of Defense has, in the case  
2 of such project or activity, complied with the provisions of  
3 sections 102 (1) and (2) (C) of the National Environmental  
4 Policy Act of 1969. Projects or activities of the Armed  
5 Forces subject to this section shall include, but not be  
6 limited to, the following:

7 (1) The development, construction, testing, and opera-  
8 tion of any weapon system which significantly affects the  
9 quality of the human environment, except when maintained  
10 and used in warfare.

11 (2) The transportation or transfer of dangerous sub-  
12 stances or devices.

13 (3) The use of herbicides or other chemical or biological  
14 warfare agents.

15 (4) All projects or activities carried out under contracts  
16 amounting to more than \$100,000,000 and all other contracts  
17 whose completion will have results significantly affecting the  
18 quality of the human environment.

19 (5) All military construction projects which will sig-  
20 nificantly affect the quality of the human environment.

21 (6) The sale or disposal of dangerous substances or  
22 devices whose use could significantly affect the quality of the  
23 human environment.
